Button

Print at 100%

Top edge of cup

Center
and visual
straight lines

Cut:

- 1 Outer Fabric
- 1 Inner Fabric
- 1 Fusible Fleece

¼" seam allowance

Leave open to turn

Top Overlap
Center - Insert hair tie fastener here

Hair elastic tip:

The hair elastic ends are fused somewhere in the loop to make a circle. Identify that spot, which is a weak point, and when constructing your cozy, make sure the fused point is on the outside of your fabric sandwich, so that when turned it is on the inside of your cozy.
